NEWLINE UNDERWEAR

NEWLINE UNDERWEAR

Newline underwear concept has been developed for active people who want comfortable and sweat transporting underwear. The products are functional, and the products are ideal as a base layer. For spring and summer 2003 Newline underwear includes CoolMax® Underwear.

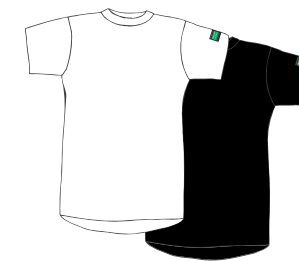

COOLMAX® UNDERWEAR

Our high performance material, CoolMax®, offers you great advantages compared to similar materials. CoolMax® by Dupont keeps you cool, comfortable and dry whenever needed - for extra performance when the heat is on...

Newline® CoolMax® underwear for active people who need functional underwear that offers quality and comfort.

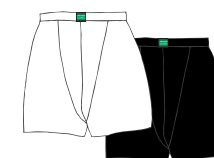

- ABSORBS PERSPIRATION QUICKLY
- TRANSFERS PERSPIRATION TO THE NEXT LAYER
- DOES NOT SMELL EVEN AFTER HARD PHYSICAL TRAINING
- HAS A LONG LIFETIME EVEN AFTER MANY WASHES
